Fundraising ...every parent's favorite subject. 😊

Bethel Park Inline Hockey is excited to rollout a new fundraising program this year. The details will be determined over the next few months, with the goal of starting the program in August.

The goal of the fundraising program is to provide everyone with an opportunity to lower their out-of-pocket expenses and to help build a stronger league for our kids. We want to grow the sport of inline hockey and, in particular, grow the Bethel Park Inline Hockey Association.

The fundraising program will be 100% voluntary. Your level of participation will be entirely up to you.

The program will be similar to "traditional" sponsorship programs, with one major difference. There will be an individual incentive to find more sponsors. A substantial portion of each sponsorship fee will be refunded to the player who signs up the sponsor. For those who are able to find enough sponsors, it will be possible to get a complete refund of all money paid to BPIHA.

We hope this fundraising program is successful now and for years to come. In the future, we hope to expand it to help offset more costs and to help our kids and the organization grow.
